

FAASTeam presents:

# **It's not Rocket Science: How to Better Prepare your Students for their Checkrides**

The PTS spells out the knowledge and skills required of a student pilot during a Practical Test, but surprisingly many students still arrive unprepared for their meeting with the Designated Pilot Examiner (DPE). In this CFI-ONLY seminar, DPE Sherry Diamond explains how CFIs can ensure that their students arrive prepared. This topic is a valuable one for any CFI operating out of San Carlos and the peninsula, but applies universally. Sherry will lead a CFI round table in a discussion of how to avoid common mistakes students experience on checkrides.

Participation is limited to Certificate Flight Instructors only.

For more information about our weekly safety seminars, please visit <http://sancarlosflightcenter.com/scfc-events/>.

**Directions:** Located in the Skyway Building, next to the Hiller Aviation Museum. Parking and entrance behind building. Suite 215 is upstairs in the northwest corner.

## Event Details

**Mon, Sep 17, 2012 - 6:30 pm**

**San Carlos Flight Center**

655 Skyway Road

Suite 215

San Carlos, CA 94070
